**ORDER DENYING TRUSTEE'S MOTION FOR RECONSIDERATION**

This case is before the Court on the motion entitled "Trustee's Application for Order Vacating the Order Waiving Chapter 7 Filing Fee and for Order Requiring Debtor to Pay Filing Fee," filed on November 10, 2009 (Docket # 14, the "Motion"), which this Court construes as a motion for reconsideration of the October 19, 2009 Order granting the Debtor's application to waive the Chapter 7 filing fee (Docket # 12 ), and

The Court having reviewed and considered the motion for reconsideration, and

The Court also finds the Motion fails to demonstrate a palpable defect by which the Court and the parties have been misled, and that a different disposition of the case must result from a correction thereof. *See* Local Rule 9024-1(a)(3).

In addition, the Court notes the following. The Court does not view Debtor's pre-petition payment of attorney fees for this case, which was disclosed in Debtor's fee-waiver application, as a reason to deny Debtor's application to waive the filing fee.

NOW, THEREFORE,

IT IS ORDERED that the motion for reconsideration should be, and hereby is, DENIED.
